Dear Colleagues

We are pleased to present the program for this year's University of Toronto Obstetric Anesthesia Conference, to be held at Mount Sinai Hospital on October 15, 2016.

We have selected topics that are of great interest to all health care professionals working on Labor and Delivery, and we are very confident that this will be a unique opportunity to have them discussed in the light of a multi-professional approach.

We are looking forward to seeing you there!

Jose Carvalho
Course Director
